

TRYING TO GET HOME

OBJECTIVE // Get to know each other.

MATERIALS // Chairs in a circle.

HOW TO PLAY //

Each person stands behind their chair. Every time a player can answer 'yes' to a statement he/she may move to the chair on their left. If they must answer 'no', they have to stay where they are. (This game can get silly - sometimes there are 3 or 4 people in a line before some can move on.) The first person back to their home chair is the champion. Here are some statement ideas to get you started, add your own that relate to your school or parish.

- You have a sister.
- Your family has a garden in your backyard.
- You have homemade mittens.
- This is your first THINKfast event.
- You can play the _____.
- You were born in another province or another country.
- You have fundraised over \$100 for Development and Peace.
- Your birthday is during the winter.
- You are wearing a piece of second-hand clothing.
